

## MEETINGS OF THE BIOLOGICAL CLUB.

---

ORTON HALL, Dec. 6, 1909.

In the absence of the President, Mr. W. C. Morse, the meeting was called to order by the Vice-President, Miss Emily Hollister. The minutes of the two previous meetings were read and approved. Prof. W. M. Barrows, Mr. T. W. Ditto, and Mr. Bentley F. Fulton were elected to membership.

The program of the evening consisted of an informal talk by Prof. G. W. Knight upon the Darwin Centenary Celebrations, held at Cambridge, England, at which he represented the University. Prof. Knight gave some account of the history, and organization of Cambridge University, and told of the ceremonies and festivities connected with the centenary celebrations. He exhibited souvenirs of the occasion, and presented the Biological Club with a very interesting picture of the delegates. Prof. Landacre moved that the Club extend its thanks for the gift of the picture and that the Executive Committee be instructed to see to the framing and hanging of it. Motion carried.

Prof. Landacre and Prof. Schaffner gave brief reports of the Ohio Academy of Science Meeting.

ORTON HALL, Feb. 7, 1910.

The Club was called to order by the President, Mr. W. C. Morse, and the minutes of the previous meeting were read, and approved.

Mr. Harry Marsh and Phillip Luginbill were elected to membership, and the names of Mr. T. M. Thompson, George T. Caldwell, V. L. Nelson, and W. C. Lasseter were proposed.

Prof. W. C. Mills then spoke to the Club upon "Some Recent Explorations of the Ohio Historical and Archaeological Society." He spoke of the archaeological map of the state which is being prepared by the society and gave an account of the two ancient cultures found in the state, and the methods of exploring their remains.

Reports of the meetings of the American Association for the Advancement of Science were given by Professors Landacre, Osborn, Mills, Seymour, and Morse.
